Coulter promoted to Corporate IS/IT Manager

FRESNO, CALIFORNIA – OCTOBER 25, 2010

BSK Associates (BSK) announced that Robert Coulter has been named as Corporate Manager of Information Systems and Information Technology (IS/IT). He has been with BSK for 2 years, and has 10 years of IS/IT experience for the environmental industry including Network Administration, GIS, ACAD, LIMS, MS VBA, SharePoint, and Disaster Recovery.

BSK President, Richard Johnson said, “Robert’s extensive knowledge and vision for the IS/IT Department was pivotal in his being named to the Manager’s position. Robert continues to expand our networks and capabilities keeping us relevant and responsive to the needs of our users and clients. We are proud of him, and appreciate his knowledge and understanding of both the analytical chemistry and engineering requirements.”

About BSK:

For 45 years, BSK has been involved with the earth sciences and analytical testing for clients and projects in natural and built environments. BSK is employee-owned with offices and laboratories throughout California, and offers analytical testing, construction observation, ecological services, engineering geology, environmental engineering, geotechnical engineering, materials testing, and water resources management.
